SETTING THE PACE

THE YEAR 1981-1982 HELD MANY GOOD TIMES AND HOLDS MANY GOOD MEMORIES FOR THE MORNINGSIDE HIGH SCHOOL CLASS OF "82" AND STUDENT BODY. THE DIFFERENT FACETS OF OUR HIGH SCHOOL YEARS RANGE FROM FOOTBALL GAMES TO THE JUNIOR AND SENIOR PROM.

THROUGHOUT THE PAGES OF THIS BOOK WE HOPE TO SEE THE FOND MEMORIES OF THE YEAR. WE ARE THE ONES WHO SET THE PACE, THE TREND, AND THE MOOD. THESE GOOD TIMES MADE THIS BOOK POSSIBLE. THIS BOOK GIVES A PATH TO OUR MEMORIES.

MONARCH FALL

OCEAN LEAGUE CO-CHAMPIONS

The Monarch Football team became Ocean League Co-Champions with an impressive record of 7 wins and 2 losses. The Mighty Monarchs were led by defensive player of the year Nathaniel Fletcher and the following 9 All League selections:

12th grade Mac Arthur Butler — Tight End
12th grade Kenneth Boone — Defensive Back
12th grade Sidney Fitts — Center
12th grade Kevin Geyen — Linebacker
12th grade Anthony Long — Running Back
12th grade Arlon Wilkerson — Nose Guard
11th grade Anthony Blue — Defensive Back
11th grade Darryle Lester — Defensive Line
11th grade Cedric Nellum — Offensive Guard

NEW PLAYERS CLAIM A BIG SECOND PLACE

The 1981 Monarchs were raw. Under Head Coach Bell they compiled a 4-4-1 record. However, they were outstanding in League as they took second place.

There was the devastating running of David Moore and the touchdown runs of Hal Price that provided much of the offense. The defense was directed by Coach Calhoun. They often kept him on edge but they never broke. At the Morningside-Inglewood game the defense showed its grit. After Inglewood scored on a controversial play as time expired, the defense refused to give up the deciding point. They blocked the point after touchdown. The coaches were also pleased with the special teams directed by Coach Franklin.

All and all, we had a very good year and we're proud of the accomplishments of this Monarch team.

SPORTS FINALS

VOLLEYBALL PLANS AHEAD FOR POWER

The Varsity Volleyball team experienced a year of growth with what promises to be a competitive team for next year.

The team will miss its seniors, all Pioneer League team member, Gladys Kluyt and Tanya Jones, Karen Sonnier and Dione Dozier. They held the team together and sacrificed to help develop players for next year's team.

Returning players will be Juniors: Avis Hardy, Loretha Johnson, Dyrolyn Sherow, Sophomores; Janetta Sullivan, Laleen Hogan, Kim Himes, Raquel Draughan, and Freshman; LaRhonda Poydras.

Summer camp and clinics for the girls can only enhance their skills and produce tough competition. Next year's prospects have the makings of a "Power House."

VARSITY TEAM ANTICIPATES A NEW WINNING SEASON

This year's Varsity team began the season with great expectations. We went 17-9 during the summer and took first at Washington High.

During the pre-season we participated in the Pacific Shores, Tournament of Champions and the Covina Tournament. After failing to place we traveled to Long Beach Poly and nearly won. We thought we were ready for League after playing so well, despite our 3-8 pre-season record.

During League the Monarchs did not fare any better. We dropped our first

two games to Mira Costa and Culver City before we defeated Hawthorne. At this point, we tried to turn things around by looking back at the road we had traveled. We brought up Travis Cooley from the Junior Varsity team trying to salvage the season and make a bid for a playoff berth. However, we were unable to alter our course though continuing to play hard every game. We finished the season with a hard felt 4-17 record and ended up in the cellar of the Ocean League but full of experience and anxiously anticipating next years new season.

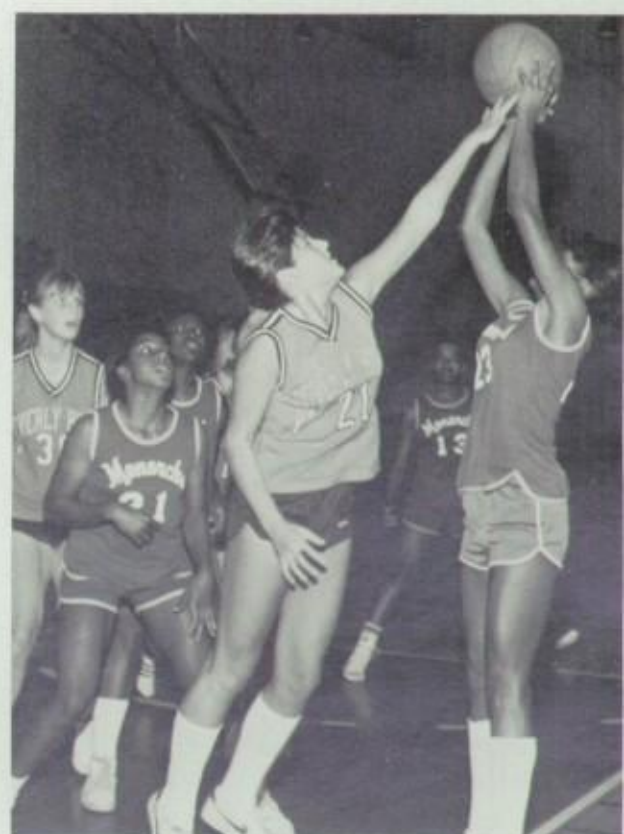

STRONG GROWTH

FRESHMEN CAGERS SCORE HIGH

This years Freshmen Basketball Team took third place behind Inglewood, and Culver City. We finished 5-5 in league and 13-7 over all. In the Verbun Dei Tournament we took second losing only to Serra, 65-59. This year we had one outstanding game against Willowbrook, winning it in double overtime, 102-95. Darrell Gordon and Adam Brook both came off the bench to score a combined total of 66 points. This year most valuable player was Vincent Tyler.

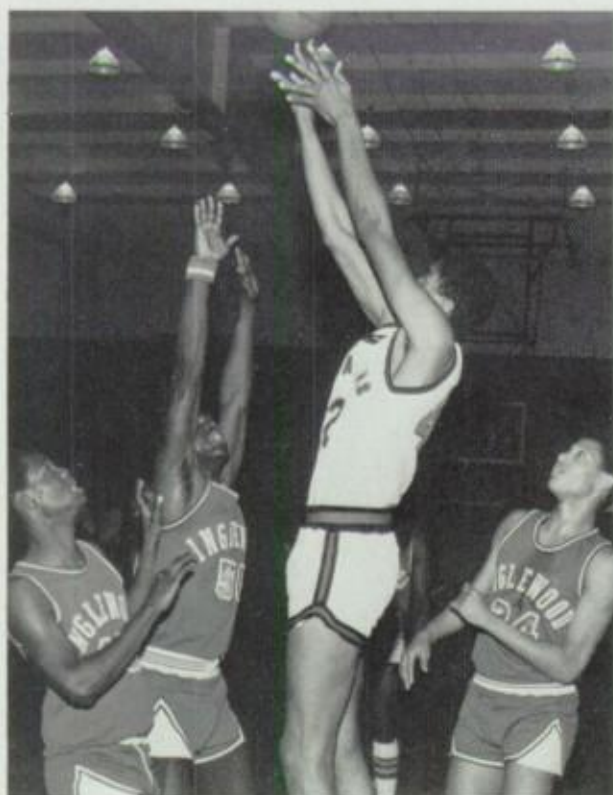

JUNIOR VARSITY SCORES BIG

The 1981-82 mens Junior Varsity Basketball team was comprised of Sophomores and Juniors. There were seven Sophomores and five Juniors on the twelve man squad. The team began practice in November and played twelve non-league games during the month of December and first week of January. During that twelve game span they played in two tournaments, placing fourth in the Oceanview Tournament and fifth in our own Morningside Tournament. They finished second place in Ocean League with an 8-2 record. The most valuable player was David Bussey.

STUDENT CHAMP

Monica Raspberry won the Southern California 3 on 3 Basketball Championship at the Forum. She teamed up with fellow team member Lynn Sheron, 11th grader, and girls from both Inglewood and Mira Costa High Schools to win the championship. Monica and her team were awarded a four-foot trophy, season tickets to the Laker games, and a gold watch for Monica.

FOR MHS TEAMS

TEAM EFFORT NEVER QUILTS

The Lady Monarchs expected big things from this years youthful but talented team. There were five returning lettermen on this years team and four Seniors. The team was led by all C.I.F. candidates Monica Raspberry and Gladys Kluyt. Making the playoffs was our main goal this year and going all the way to the finals will be in the back of our minds for next year. The Lady Monarchs finished league play with an 8-2 record and 17-7 overall. The 8-2 league record was good enough for a 2nd place finish in the Ocean League and a birth in the C.I.F. playoffs. The Monarchs traveled to Santa Barbara High School for the first round game. After trailing most of the game the Monarchs finally went ahead in the 3rd quarter only to have their lead slip away in the 4th, eventually losing 55 to 51. The Lady Monarchs gave a great team effort and exhibited a never say die attitude. Needless to say they made their coach feel very proud of them.

SLOW START FAST BREAK TO FINISH

This years Junior Varsity Team got off to somewhat of a slow start. Starting players this year were Terri Arnold (Point guard), Michelle Matthews (guard), Dee Hill (Forward), Belinda Sanford (forward), and last but not least Vicki Wells our veteran (center). Although our pre-season record did not reflect promising successes by our regular season we were raring to go. With an outstanding 8-2 record the team placed first in the league.

MISSING CROSS COUNTRY RETURNS

A whole new Cross Country team began at Morningside this year after being absent for some time. The team was a unique mixture of surprises in the new talent that was produced. We look forward to seeing Cross Country back again next season.

TWO TIME H.S. ALL AMERICAN

Monica Raspberry, Sophomore, was voted "ALL League" in the 4A Division of the CIF. She and her partner, Regina Hodges (12th grader) personally defeated Beverly Hills in the League Play-Offs. Monica will be a two-time high school "All American" in tennis. She has been on the honor roll with a grade point average above "B."

SOCCER TEAM REBUILDS WITH STRONG EFFORT

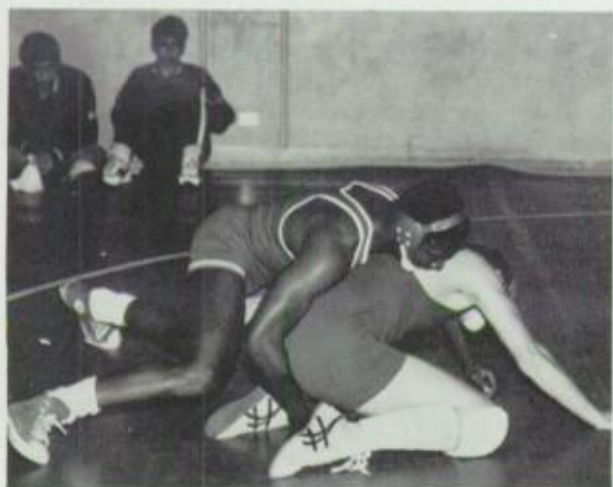

The Monarch Soccer team went through a rebuilding process this year. We had a new coach, Carlos Juarez, who was a collegiate All-American player at Cal State Los Angeles. We also had a young team. We started five freshmen and two sophomores. One of those freshmen, Benjamin Fernandez, was named All-League, First Team in the Pioneer League. The captain of this team was Alejandro Acosta. He was also second team, All-League. Other players who had good seasons were Fred White, Ismael Rodriguez, and Salvador Escobar in defense. Jorge Witz and Sergio Sanchez in midfield and Martin Almanza at goal also had good seasons.

The Highlight of the season was the game against Beverly Hills. Even though we tied them 2-2, it was a moral victory as they were the League leaders. Although the season win-loss record looks poor in the record books, it must be remembered that this is a new team started from scratch as there was no team competition last year.

But with the youth of the team and the dedication of the coach the future looks very good for the Monarch Soccer team.

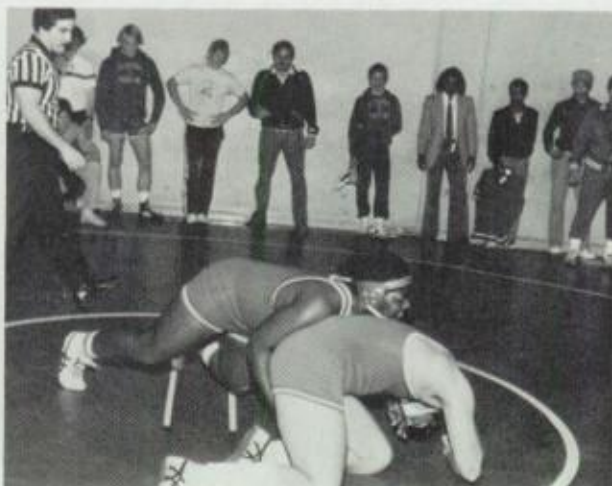

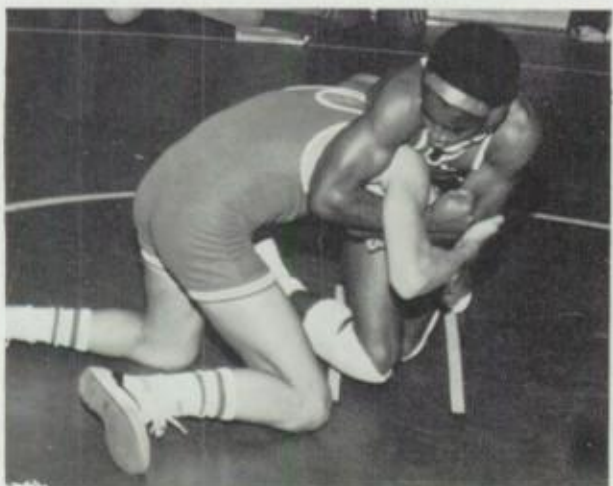

FOURTH PLACE IN LEAGUE

The Morningside Wrestling team finished fourth in the Pioneer league. Most Valuable Wrestler was Ron Johnson in the 170 lb. class, placing second in league finals.

SPORTS WRAP-UP

NEW COACH SPARKS TEAM

This year's 1982 Varsity Softball season promised to be exciting because of two elements. The first, a strong hitting attack and second, a good fielding team.

The Monarchs were guided by Coach Michael Barnes, who took over for last year's Coach Lenora Howard. Coach Barnes, who formerly coached the boys J.V. baseball team for five years, was blessed with several gifted athletes.

Leading the Monarchs on offense were Tracey Culpepper (Junior), Stacy Adams (Senior), LaRhonda Poydras (Freshman) and Theresa Ashby (Senior). Defensively they were led by All-League candidate Thersa Ashby at short-stop; Susan Manor, catcher; Tracey Lucas, LaRhonda Poydras and Evonne Tate in the outfield.

The Monarchs pre-season record was 4-2 and looked to finish at one of the top positions in the Ocean League. "Our weakest spot was pitching," commented coach Barnes. "We weren't strong in that category but Kecia Randolph a Freshman was our top pitcher coming up fast and strong." Jetaun Alexander, Avis Hardy, Tina Barnes, Monica Raspberry, and Myshale Oliver completed the rest of the team members.

JUNIOR VARSITY BUILDING BLOCK

Earlier this season Coach Scott was heard to say, "If pitching holds up this promises to be one of the best Junior Varsity teams in years at Morning-side. Good hitting and good defense should make up for an deficiencies the team might have." The Junior Varsity team is a building block for the Varsity team. Early reports showed that this years Junior Varsity team will eventually form a very solid Varsity team. Freshman Darryl Ball did most of the hitting, Sophomore Ken Smith was the ace on the mound, shortstop Sergio Sanchez plugged any holes in the infield and Darryl Norwood patrolled centerfield like a season veteran although only a sophomore.

MONARCH TEAMS

DAMP DUGOUTS HIGH SPIRITS

The Morningside Monarchs Varsity and Junior Varsity coaches switched positions this year to try and bolster up team growth. Basic fundamental skills were stressed this season. The Varsity coach was able to stay with almost the same players for two years.

The season began slowly. Excessive storms early this season caused many games to be called on account of rain. The season finally got off the ground. Missed games were played and all the skills and knowledge finally made it to the playing fields for a good season's finish.

J.V. SOFTBALL STRONG AND GOOD

The girls J.V. Softball team was all brand new and off to a good start this year. The team was young and showed very promising possibilities of being a strong and good team. There were several outstanding players on the team but what their coach stressed was team effort and no superstars. Everyone was a shining star through their own effort which makes a great team. Our record was good and our goal was to take first place in league this year.

BUILDING UP

EARLY SEASON RAIN STORMS COULDN'T DAMPEN SPIRITS

This year's track team proved to be a great one. It began by setting its goals high and then getting off with a good start towards them. Early this season the Boys Varsity 440 relay was running 43.1 sec. and Girls Varsity 50.5, only tenths of seconds off their goal!

Although seasonably heavy rains caused postponement of early track meets the original enthusiasm was never dampened. The tracks finally dried out; the races were run, the shot was put and the jumps were jumped.

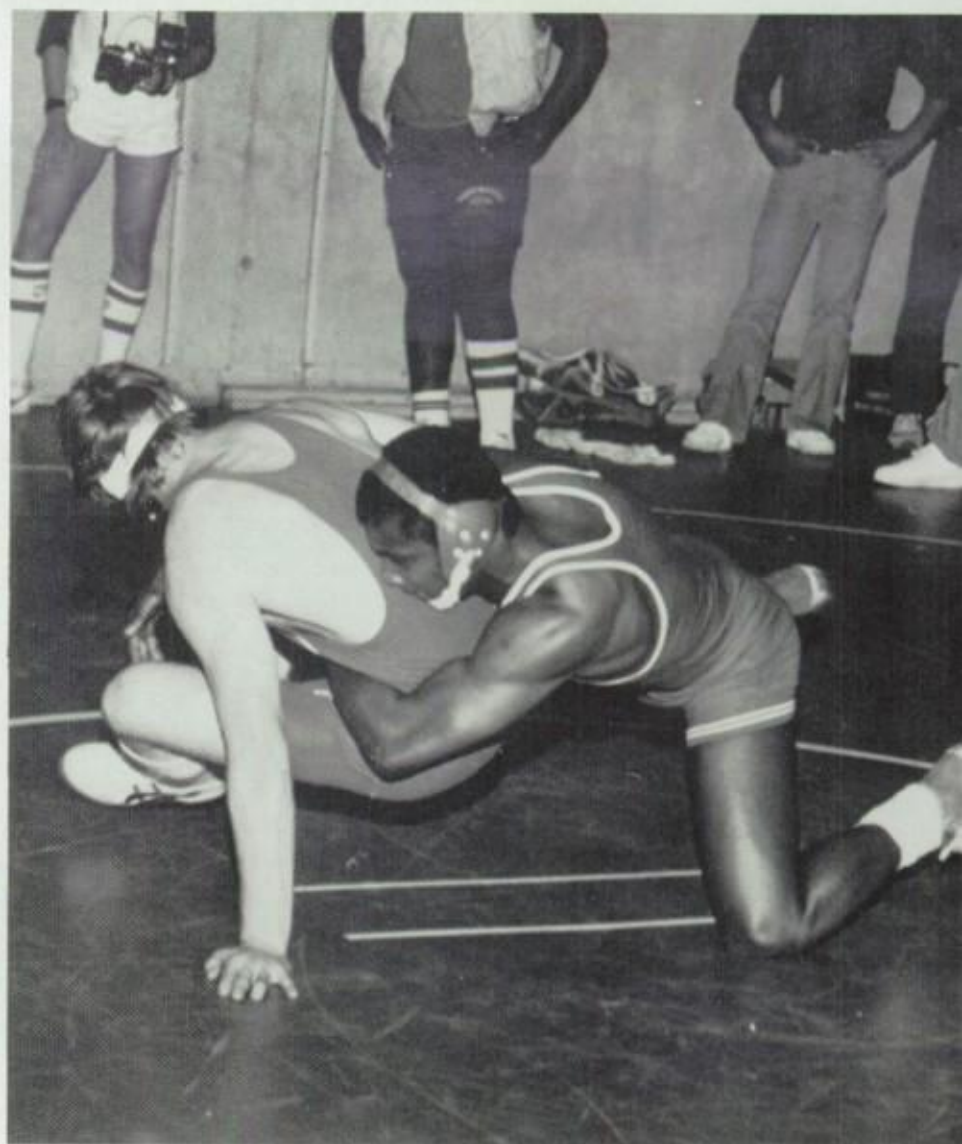

This was a good group of young individuals who show great future potential for Morningside Track.

MONARCHS AT EASE

"We need books, not weapons, not violence"

We satisfy ourselves by dissatisfying others.
We destroy ourselves while destroying our brothers.
We need books, not weapons, not violence.

We fight like dogs, we attack like snakes.
We are destroying our people with fear and hate.
We need books, not weapons, not violence.

We are destroying ourselves while destroying our brothers.
We are destroying our brothers by killing each other.
We need books, not weapons, not violence.

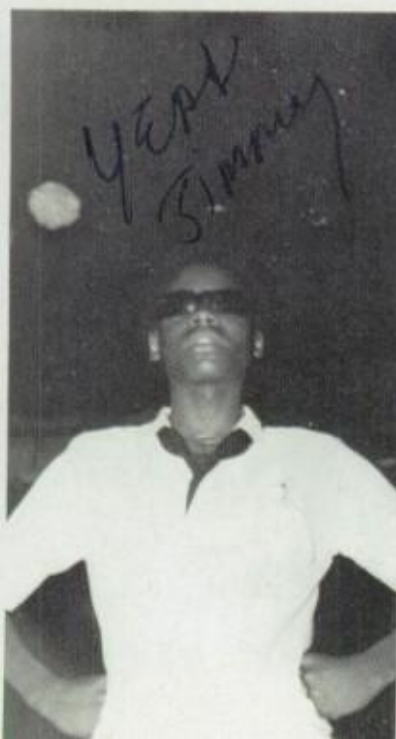

We reject our books, we vandalize our schools.
We learn nothing but how to be cool.
We stab with our knives, we shoot with our guns.
We are killing each other one by one.
We need books, not weapons, not violence.

We civilize in groups, we civilize in gangs.
We are replacing our pride with fear and shame.
We need books, not weapons, not violence.

We are black and we are proud,
We must settle down and stop acting wild.
We must study our books, and build our schools.

Then we as people shall rule
We need books, not weapons, not violence.

ERNEST ROSS

Gang Fighting

It happens at night.
It happens in the light.
To be right, you must be strong,
Even though your cause may be wrong.

Your goal is to be tough.
Your personality rough.
Then it begins, the thing that never ends.

First come the knives and then the guns.
Someone fears for his life and runs.
But what's the conclusion.
Sorrow, pain, death and confusion.

ERNEST ROSS

"DR. MARTIN LUTHER KING"
Once upon a time,
There lived a man,
Who contained persuasion,
In the palm of his hands.
His skin was brown,
Though his voice was loud,
He walked with pride,
And his head in the clouds.
To the group that was blind,
He was just one of those things,
But to the others they could see,
That he was Dr. Martin Luther King.
He told his people, That they could
fight back,
Though this he started,
The Civil Rights Act.
Some wondered how a man,
Could be so wise,
At the tender age,
Of thirty five.

He let them know,
That he was there,
With his fight for equality,
And his feeling to care.
Then one day,
His bell was rung,
And as the old saying goes,
"The great ones die young."
Dr. Martin Luther King,
We honorably salute you,
For your word is still alive,
And your teachings renewed.
Your people still care,
As you once did,
For preaching the truth,
Which you never hid.
Your march is still on,
And so is your fight,
That all men are equal,
And created alike.

MICHAEL AJAKWE — JR.

A SCHOOL TO BE PROUD OF.
 There stands a school,
 In Inglewood,
 Where the students attend,
 As they should.
 They walk to class,
 With the sense of pride,
 Because they've walked,
 Through the gates,
 Of Morningside.
 The guys have class,
 And the girls are sweet,
 At the rallies they dance,
 To the disco beat.
 They 'pop' they 'skate'
 They 'wiggle-it' too,
 Why some of those couples,
 Even 'bugaloo'.
 They kiss, they hug,
 They smooch as well,
 Man, those cats,
 Can raise some hell.
 Though some girls act strange,
 And some guys act fools,
 They can relate to each other,
 And know that everything's cool.

Then when it's time,
 To hit the books,
 Some enter the classrooms,
 While the others just look.
 Some guys' insist,
 On a cheap kissing booth,
 But all I ask,
 Is the freedom of truth.
 Some say a school,
 Which stays apart from the rest,
 Is a school that is bad,
 Though it sometimes the best.
 No school is perfect,
 So some characters slide,
 For even Morningside,
 Hordes a couple of lies,
 Maybe two or three respectively.
 I'm not saying it's the greatest,
 Or the best around,
 I'm not saying it's grade-A,
 For the college bound.
 I'm just saying it's a place,
 Where the students care,
 For you can feel the sensation,
 Or smell it in the air.
